Approval of Minutes

Discussion

- *Top five measurable public safety compliance factors*
- *Issues with the sex-offender and the transfer of sex-offenders rules*
- *The Benchbook's content: its usefulness and user-friendliness*

Old Business

New Business

- *The notion of "unsupervised" supervision and how it impacts states that do not have this status – **New York***
- *The responsibility of sending states in issuing warrants and retaking when a case is closed in ICOTS. (example: tracking the issuance of a warrant in the sending state for an absconder and assuring retake when executed) – **New York***
- *Discussion about requesting the Commission to develop or open the existing ICOTS training site for states to use when training field staff. – **New York***
