

Interstate Commission for Adult Offender Supervision DCA South Region Meeting

AGENDA

**January 17, 2019 · 11:00 AM ET
Teleconference**

Call To Order/Roll Call

Discussion

- Suggested topics from South Region DCAs:
 - *Notice of Failure to Arrival (NFTA) Standard: Should there be a standard of what actions are needed to validate Failure to Arrive? Is it simply not reporting within 5 business days of the Notice of Departure or should the RS call the offender's phone or go by the place of residence?*
 - *Rejection of Transfers because a non-qualifying misdemeanor offense is included in the same Transfer Request with a felony offense. What is everyone's stance on accepting versus denying for this reason?*

Old Business:

- Review and discussion of ICOTS enhancements previously suggested by DCAs but not formally acted upon (see the attached list)
