Discussion

DCA Training Institute Recap: Commissioner A. Precythe (MO) thanked the committee members for their hard work in planning and delivering the DCA Training Institute.

The committee discussed specific trainings from the DCA Training Institute.

The Probable Cause Hearing training generated a lot of discussion. Commissioner A. Precythe (MO) expects the Training Committee to continue offering variety of trainings on this topic.

The committee discussed a tolling feature in ICOTS and the need for training on new ICOTS enhancements.

Commissioner A. Precythe (MO) noted that the committee also needs to focus on warrant tracking topics including discussion on retaking costs and extradition.

Commissioner A. Precythe (MO) encouraged the committee members to contact the new commission chair if they were interested in chairing the Training Committee.

Training Committee Goals: The committee reviewed its goals.

- Review and revise training modules and resources annually.
- Create mobile friendly educational resources for stakeholders.
- Support state compact offices' responsibilities to train stakeholders in their state on ICAOS Rules, purpose and best operational practices.
- Create dialogue that emphasizes the goals of the Compact: What's in the best interest of public safety? What's in the best interest of the offender?

New Business

Commissioner J. Clocker (MD) will retire on December 1, 2018.

Commissioner A. Precythe (MO) invited guests to join the committee. DCA T. Gilmore (WA) expressed her interest in becoming a member.

Commissioner A. Precythe (MO) thanked the committee members for continuing support and participation.
