4. New Business
 - a) DCA Update – Matt Billinger
 - i) Proposed Rule Amendments
 - (1) All rules passed unanimously except for rule 5.103-1 (a) passed with 1 distention
 - ii) Compliance-Where KS stands
 - (1) We have met our compliance standards for the year.
 - (2) This year, Kansas will be changing the type and frequency of audits to keep compliance in comfortable range.
 - iii) Compliance-Upcoming new standards
 - (1) New audit will cover if warrants are in accordance to the rules of being placed in NCIC and are listed as no bond(body only) and fully extraditable.
 - iv) Ongoing Issues
 - (1) The receiving state officer is being requested to testify from KS Courts on cases that have been sent out of state that have violated the sentence. Right now all that is required from the receiving state is a violation report. It was decided to table discussion until the next meeting at which time a plan would be discussed.
 - (2) For sanctions on the misdemeanor probation cases supervised by court services, many sending states argue that we have not done any sanctions prior to retaking. Our officers are stating that they have no power to do so without a judges' order.
 - (a) Advised that officers DO have the right to do the sanctions

(b) Need to make it where the offender can do the dip time in the county of residence and not the conviction.

(c) Decided to table until next meeting to further discuss.

b) Commissioner Updates – Hope Cooper
