Brief Synopsis

Sex Offender Registration Requirements

Basically anyone convicted of a sex crime after 1992 has to register. We presently have two categories of sex offenders: 1) 10 year registrants and 2) lifetime registrants. (Difference depends on a variety of factors too detailed to describe here) 10 year registrants require annual address verification. Lifetime registrants require 90 day address verification

Sex Offender Special Conditions

As determined by the court on a case by case basis and do not survive the termination of probation

Additional Information

Sex offender registration requirements are specific to specific sex crimes and victim characteristics (i.e. age, sex).
