Also present at the meeting was Rene Green Probation Deputy Compact Administrator and Deputy Compact Administrator Deborah Duke.

Welcome and Approval of Minutes

The minutes of the September 9th, 2020 meeting were unanimously approved.

Proposed Warrant Rule Amendment

The proposed warrant rule amendment was reviewed and discussed by the Council. To facilitate retaking within the proposed time constraints, Representative Hulse offered to propose legislation that would compensate the sheriff's departments for extraditions. Deputy Commissioner Inglis advised that TDOC already provides the sheriff's departments with a stipend; albeit not as much as they would like. Mr. Cherry stated the expansion of the timeframe appeared reasonable and was in favor of voting for the amendment as were the other Council members in the meeting.

Community Supervision Update

Rachel Riley-Coe provided information regarding the pilot program for Focused Deterrence. This is a specialized supervision for high risk offenders where they are provided extra attention and receive increased contact and services. The program is currently in the Jackson and Memphis area but TDOC is looking to expand it.
