- Chair Brewer opened the floor welcoming everyone. Introductions were done due to several new members joining the council.
- An overview of Interstate Compact for NC was conducted to include the number of offenders supervised in NC for other states (4,888 offenders) and the number of NC offenders supervised in other states (1,509).
- A presentation was done with the following objectives covered (attached to these minutes):
 - Explanation of the functions of the Interstate Compact for NC and the Interstate Commission for Adult Offender Supervision.
 - Discussed the type of offenders that are required to be transferred through the compact.
 - High level discussion on the states' responsibilities within the compact.
 - State Council Role and Responsibilities.
 - Available resources for council members, Community Supervision staff, offenders and the public.
